**MULLEN GROUP LTD.  
ANNOUNCES NORMAL COURSE ISSUER BID**

(Okotoks, Alberta – June 11, 2009) (TSX-MTL) Mullen Group Ltd. ("**Mullen**" or the "**Company**") announced today that the Toronto Stock Exchange ("**TSX**") has accepted Mullen' Notice of Intention to commence a Normal Course Issuer Bid (the "**Bid**") to purchase, from time to time, as it considers advisable, up to 7,379,118 common shares (which is equal to 10% of the "public float" of 73,791,184 common shares) on the open market through the facilities of the TSX. The number of common shares that can be purchased pursuant to the Bid is subject to a daily maximum of 81,093 common shares (which is equal to 25% of the average daily trading volume of the trust units of Mullen Group Income Fund from December 1, 2008 through to May 7, 2009 plus the average daily trading volume of the common shares of Mullen from May 8, 2009 through to May 29, 2009). The price that Mullen will pay for any common share under the Bid will be the prevailing market price on the TSX at the time of such purchase. Common shares acquired under the Bid will be subsequently cancelled. Mullen currently has 80,605,298 common shares outstanding.

The Bid will commence on June 15, 2009 and will terminate on June 14, 2010 or such earlier time as the Bid is completed or terminated at the option of Mullen. A copy of the Form 12 - *Notice of Intention to make a Normal Course Issuer Bid* filed by the Company with the TSX can be obtained from the Company upon request without charge.

The Company has commenced the normal course issuer bid because it believes that, from time to time, the market price of its securities will not properly reflect the underlying, intrinsic value of Mullen, and that, at such times, the purchase of common shares for cancellation will increase the proportionate interest of, and be advantageous to, all remaining shareholders.

The Mullen Group is recognized as the largest provider of specialized transportation and related services to the oil and natural gas industry in western Canada and as one of the leading suppliers of trucking and logistics services in Canada – two sectors of the economy in which Mullen Group has strong business relationships and industry leadership.
